

OET Speaking Role-Play Card: Medicine

Doctor's Role Play Card

Topic: Pregnancy

SETTING	GP office
DOCTOR	Your patient is a 17-year-old lady who has come to see you because she believes that she might be pregnant.
TASKS	[] Find out if the patient has taken a pregnancy test to confirm the pregnancy. [] Ask the patient if she knows how far along in her pregnancy she may be. [] Reassure the client that she has full doctor-patient confidentiality. You will not discuss her case with anyone unless you get express permission from her to do so. [] Reassure the patient that she does not have to make any immediate decisions right now. Explain to the patient that as a doctor your goal is to make sure that she is given access to all information and resources available. You will support her in any decision that she makes. [] Explain that your role is to provide accurate information, answer her questions and support her decision-making. Discuss referral options such as counselling, family planning or other appropriate specialist support, according to local guidelines and the patient's wishes. [] Advise the patient to speak to a close family member or someone she trusts.
